IMPORTANT RULE:

No toys, soft toys, books or jewellery may be brought to school. It causes havoc and tears. As teachers we urge that you adhere to this rule as we are not responsible for any loss.

BIRTHDAY RINGS:

These are celebrated at school and we ask that you organize with your child's teacher when your child's birthday is nearly due. Each child will celebrate his/her birthday with his/her own group and you should please send either a large **square/rectangle** cake or cupcakes.

The teacher cannot cut a normal round cake into 20 pieces, it is very difficult. Please do not send 2L cold drinks. Rather send juice boxes for each individual child. You may also send party packs for each child if you so wish. The birthday ring takes place during 10h00 snack time. Please send everything when you bring your child to school as we cannot do the ring later than 10h00.

SYMBOLS:

Each child has his/her own hook and symbol for their school bag. This develops the child's self-identification and sense of responsibility.

BAKERSDAY:

Every Wednesday is Bakers day. The teacher works out a list in the beginning of the term for each child to get a turn to be the baker. The teacher dresses the child in the baker outfit and the rest of the class come and buy with play-play money the baker's treats. Please do not send big cakes for baker day, rather cupcakes, chips or any homemade treats.

THE NOTEBOOK SYSTEM

The school will provide a notebook with a plastic cover. The cover will remain the property of the school, so please make sure to look after the notebook as it will be given back at the end of the year. Should you lose the book you will be asked to pay a levy of R150 for the cover. Note books for the 3 - 6-year-old children are for school letters only. Only the baby class and toddlers in the purple junior class get their notebooks daily.

School fees are therefore compulsory. This is the agreement. Port Natal Pre-Primary pay salaries to people for a service they deliver to your child. We cannot do it for free, because no teacher will work for free. It is very important for parents to understand this concept. As humane and loving as we would like to be: IT CANNOT WORK ANY OTHER WAY. No payment No school !! Please avoid a situation where the secretary has to phone parents and ask for the school fee. Parents, please do not make your own payment decisions regarding school fees, like skipping a month and paying double the next month. We have a budget and if parents make their own decisions regarding payment of school fees it affects the management of the school and our own commitments.
